

# AUTISM TOOL BOX

Techniques to help leaders engage more effectively

## INTRODUCTION

We are all 'fearfully and wonderfully made'. In BBNI we celebrate the different personalities of each child and young person. Sometime we need a little help in engaging effectively, particularly with those with special educational needs and disabilities.

This tool box contains some resources that will help leaders to engage more effectively with children and young people with Autism.

## WHAT'S INCLUDED?

### Welcome to our BB

templates to help introduce your BB company, your section and for use when going on an outing

### Communication Passport

### Visual Communication Ideas

### Techniques to aid interaction

a template to be used in discussions with a parent/carer
