This is an annual reflective exercise, designed to standardise reporting from all types of youth groups. There is no right or wrong answer! It is a snapshot of a young person in a moment in time.

TIP! Check out the guidance over-page for descriptions of each of the indicators - these will help you assign each child and young person to a category on the framework.

✓ It's a Policy Directive of the Department of Education as laid down in Priorities for Youth.

✓ It can be used to promote the value of youth work to a range of external stakeholders/investors.

✓ It will help you and the EA articulate the value and initial impacts for children and young people of participation in youth service provision.

✓ It will help you identify alternative and or further opportunities for enhancing engagement, participation and learning.

Choose from any column or row the descriptor which **best** suits, to help you assign a category of engagement to a Child/Young Person. **INDICATORS OF ENGAGEMENT:** Consider each child/young person individually - reflect on the extent to which he/she **engaged** in (*col1 below*), **benefited** from (*col 2 below*) and/or **decided** on what activities and services he/she took part in (*col 3 below*) over the last year. Not all will be constant over the year; you allocate at that point using your professional judgement.
