

EXPEDITION NOTIFICATION PROCESS

for all unaccompanied practice and all qualifying expeditions

All unaccompanied practice and all qualifying expeditions require notification. While it is no longer necessary to complete a practice at Bronze Level, if you run a Bronze practice you need to follow this procedure. This chart outlines the process to be followed by all groups in BBNI.

1

Check that your expedition meets DofE expedition requirements.

2

4 weeks before UK expeditions

12 weeks before Expeditions outside of the UK

Complete the BB Expedition Notification Form and upload a route card (including bad weather routes) and map tracings/GPX Files using the form on the BBNI Brigade website. Joint BB/GB expedition? Each group must notify their own organisation - the route is to be approved by either BB or GB.
