Bible passage: 1 Samuel 17 (David and Goliath)

Read the passage together with the young people, it might even be a fun idea to act the story out and talk about how David used his talents to serve God and defeat Goliath and stayed true to himself.

Discussion: What are talents?

God made us just the way we are, and He has the best plan for us. David was a shepherd boy and had the skills to defeat Goliath that no one else had. Many famous people use their skills to help others, look at them and teach the young people how to use their talents.

Game: Can you defeat Goliath?

This game promotes the story of David and Goliath allowing the young people to remember how David's talent was a Shepherd and how he used these skills to defeat Goliath.

Craft: All About Me!

This craft will allow the young people to decorate a cut out person as themselves and to think about the special talents and skills that they have.
