Song: Creation song – Saddleback Kids

Baking: Crepes

Teach the young people that different foods that we enjoy comes from various places, such as crepes come from France. For Anchors, provide them with pre-made crepes and decorations to decorate them with and talk about how food can be linked back to God's creation. This also allows an opportunity to learn about French culture and the similarities and differences between young people at home and abroad.

Colouring: All Around the World

In BB we wear our uniforms, whereas many children around the world have a traditional outfit that they wear for their country and are proud of. This activity is a good chance to teach the young people in your section about how different countries wear diverse cultural outfits.
