Friendship – The Good Samaritan

God's Masterpiece can be used as standalone activities or as a full night programme to help you make the most out of these resources. These templates will provide you with a rough plan for a full night session for each piece of the God's Masterpiece resource to be enjoyed or amended as needed for each company's needs. All the necessary resources and full instructions for each activity will be available on the resource area.

Bible passage: Luke 10:25-37 (The Good Samaritan)

Read the passage together with the young people, it might even be a fun idea to act the story out and talk about if it is kind or not for each character in the parable to have acted as they did when they see the man on the ground.

Discussion: What makes a good friend?

This will give the young people a chance to talk about what makes a good friend and what they can do to be a good friend to others around them.

Game: Mountains and Valleys

This game promotes working together in teams and building up friendships to complete a task together.

Baking: Bee Kind Cookies

This activity will serve as a fun reminder to the young people that they can be kind to others and the imagery of bees will help them think of how to "bee kind" to each other.
