

GOD'S MASTERPIECE

Juniors

Full session programme

All About Me (David and Goliath)

God's Masterpiece can be used as standalone activities or as a full night programme to help you make the most out of these resources. These templates will provide you with a rough plan for a full night session for each piece of the God's Masterpiece resource to be enjoyed or amended as needed for each company's needs. All the necessary resources and full instructions for each activity will be available on the resource area.

Icebreaker: People Bingo

A chance for the young people to get to know each other and find out some fun facts that they might not have known.

Bible passage: 1 Samuel 17 (David and Goliath)

Read through the passage together and talk about how David used his talents that he received as a shepherd boy and used them to beat the giant Goliath, with God by his side. What are your young people good at?

Baking: Gingerbread biscuits

Using store bought gingerbread men, allow the young people to create themselves, thinking about where the ingredients come from and how special God has made them and what makes them great.

Craft: Stone painting

This creative craft will allow the young people to think about what talents they have and to remind us that God made us exactly the way we are.

Game: 2 truths and a lie

A fun game to let the children have a bit of fun getting to know each other. These stories should be silly or funny and get a bit of a laugh, but leaders should monitor what is being told and to ensure that it remains appropriate.
