

Pull Up Stands - available for companies to purchase through BBNI

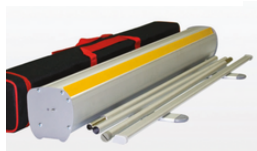

Type of stand available

STANDARD MODEL ROLL UP

Visible Printed Graphic Size – 800mm x 2000mm

This stand is supplied with a printed graphic from our Eco Solvent Inkjet Presses. The standard stand is lightweight, uses thin aluminium yet still benefits from the powerful standard motor and comes in a non-padded bag. The stand has two swing out feet and is best used for one off, short term or static use.

The aluminium case is thinner and is more easily damaged by mishandling. If you intend to use a stand multiple times in multiple locations then please consider the mid-range or premium stands.

each

MID-RANGE MODEL ROLL UP

Visible Printed Graphic Size – 800mm x 2000mm

This stand is of excellent quality, very sturdy and comes in a padded bag. The rail to attach the printed graphic to the stand is a snap rail. The stand has two swing out feet, a stronger spring motor and stronger steel end-plates that replace the weaker aluminium on the mid-range Roll Up. Ideal for constant use or multiple uses - it is designed to be used over and over again. This stand is supplied with a printed graphic from Eco Solvent Inkjet Presses and replacement graphics are available for this stand.

each

PREMIUM MODEL ROLL UP

Graphic Size – 800mm x 2150mm

It is premium quality, very sturdy, aesthetically pleasing and comes in a padded bag.

This stand has no swing out feet and sits on its own wide base. Ideal for any constant use or multiple uses, it is designed to be used over and over again. This stand is supplied with a printed graphic from our Eco Solvent Inkjet Presses and replacement graphics are available for this stand. This stand is 150mm taller than the standard and mid-range models.
