**Company Captain:**

I approve the application for the young person name above, to volunteer in the Company and confirm the following:

- I understand that the young leader has the same rights to protection from harm and that I will extend my duty of care to this young leader.
- I have received a BBNI Annual Consent completed by the Parent/Carer. <https://boysbrigadeni.org/leader-info/forms/>.  
(This should be kept for your own records.)
- I have issued and explained the safeguarding tips card. Which can be found on the BBNI website: <https://boysbrigadeni.org/leader-info/leader-registration/>.
- I understand that the young helper should not be left alone to supervise children/young people and should not be counted in your leader ratio unless the 17 year old has completed Step Up which includes registration as a BBNI leader. However, they can be counted in the ratios as long as other adult leaders are present and in charge.
