

SAFEGUARDING TIPS

We want all children and young people in BBNI to have the best experience possible and that includes 14 - 18 year olds who are volunteering to help with a section. This card will help you understand how you can help the leaders to work with the children.

Leaders will help you by:

- Not leaving you alone with the boys
- Not asking you to take the boys to the toilet
- Listening to you
- Giving you BB equipment if we need you to take pictures or videos for BB purposes
- Giving you clear instructions
- Encouraging and supporting you

SAFEGUARDING TIPS

Please help us by:

- Telling us if you are unsure about something
- Not hugging or lifting the boys
- Telling a leader if a boy tells you something which concerns you
- Not promising to keep secrets
- Not using your phone when in BB
- Not posting pictures of BB boys on your social media
- Not giving the boys your contact details or giving out social media details (excluding family members)
- Speaking positively to all boys and leaders
- Being prepared to jump into everything and get involved
- Telling us if you have any ideas or something new to try
